

LOUISIANA LICENSE RENEWAL SCHEDULE

Effective January 1, 2018

- Licenses will renew in even/odd years based on your license number.
The last digit of your license number determines when you will need to renew your license, i.e. if the last number is an even number you renew on even years and if the last number is an odd number you renew on odd years.
- Renewals will no longer be based on line of authority.
- Agency renewals will move to March 31.
- Your license renewal will renew all lines that you are licensed for that require a renewal.
- Renewal window will increase from 60 days to 90 days.

Producer renewal fees are changing.

- \$50 to renew one line.
- \$55 to renew two or more lines.

Surplus lines authority renewal will remain \$350.

Adjuster renewal fee will remain unchanged at \$50.
